

Placer County Sheriff's Council

"Committed To Law Enforcement, Dedicated To Making a Difference to Our Community"

Business Membership Application

Local citizens seeking ways to help the Placer County Sheriff's Department maintain its current efficiency formed the Placer County Sheriff's Council in 2004. By becoming a business member, you will help the council fill the gap between the public's need for increasing law enforcement services and tightening county budgets. While our efforts focus on providing specialized equipment and supplies for public safety, we are also involved in education and training. The men and women of the Placer County Sheriff's Department have committed themselves to making our families safe, and our homes secure. The business and community leaders of the council have volunteered to work closely with law enforcement to help meet those needs. By becoming a Business Member, you can help those that help us.

Categories of Business Membership

We offer three categories of business membership to the council. Our Platinum and Gold Members will receive news and updates about the council and our activities.
